

Innovation Tri-Valley Leadership Group gathers to honor breakthroughs and moonshots at the 2023 #GameChangers Awards

PLEASANTON, CALIFORNIA, UNITED STATES, March 20, 2023

[/EINPresswire.com/](https://www.einpresswire.com/) -- From the fusion ignition shot heard 'round the world to a moonshot of making meat from air, Innovation Tri-Valley Leadership Group's 2023 GameChangers are making global news. On March 29th, at the state-of-the-art Goal Line Studio in Pleasanton, eight Tri-Valley game changing companies and leaders will be honored for the solutions they offer to the world's critical issues. The 2023 honorees include several of the Lawrence Livermore National Laboratory scientists at the helm of the recent fusion ignition and a Tri-Valley visionary with a disruptive plan to feed the world, Air Protein's Founder and CEO, Dr. Lisa Dyson.

The annual awards ceremony brings the region together with founders, mentors, influencers and stakeholders from the fastest-growing region in the Bay Area. The slate of honorees has become a "who's who" in the Tri-Valley ecosystem and includes past GameChangers; 10x Genomics, AEye, Lam Research, Tekion, Topcon, Unchained Labs, and Vagaro.

"Extraordinary solutions continuously emerge from our region, then drive impact on a global scale. This is the moment our community comes together to amplify and honor the disruptive, innovative spirit that is part of our Tri-Valley DNA," says Rick Shumway, ITV Board Chair and President and CEO of Stanford Health Care Tri-Valley.
