Company. The role of a Beatrice Bradley Host is to be warm and welcoming. To relate and connect. To have attention to details. And to manage the behind-the-scenes magic so your experience is one-of-a-kind. They are not local experts nor are they tour guides. We hire local experts, guides, and historians as each location warrants. They are expert hosts and manage the camaraderie and logistics of the experience. Our goal is that your hostess will make you feel welcomed, comfortable, and that you will walk away with new & lasting friendships made during an unforgettable experience.

#### GROUP TRAVEL FOR CONSERVATIVE WOMEN 45+

The brand, Beatrice Bradley, is based on the relationship of Debra Countryman Shutt and Beatrice (Belle Baker) Bradley, her grandmother. Bea's strong will and fearless adventurer spirit helped Debra develop into a business entrepreneur. Debra built a sourcing and design company and embarked on a career that included a great deal of business travel. Constantly packing & unpacking a suitcase, Debra visited production vendors on several continents and enjoyed cultural experiences from sea to mountain top and many small villages in between. Beatrice Bradley Adventure Travel Club

the landscapes, the people, the food, and all the adventures that travel brings, Debra had the experience of a lifetime! Having an encouraging husband and understanding children, she wove a tapestry of travel, business, and family into one big continuing adventure.

Now, a little older and much wiser, Debra is thrilled to have the opportunity to weave Beatrice Bradley into a travel adventure company offered by Gage Outdoors. Together we want to help you and your friends experience the outdoors, the excitement of travel and life's special moments exploring new places and meeting new friends.

So little time, so many fun places to see, experiences to have, won't you join us?

Be Brilliant, Embrace Adventure, Be Fearless."
