

BLAH expands its network across South East Asia

AUCKLAND , NEW ZEALAND , March 22, 2023 /EINPresswire.com/ -- BLAH expands its network across South East Asia

BLAH has created a free marketplace for the hospitality industry

BLAH is bringing buyers and sellers together by creating a free marketplace across the hospitality industry: The BLAH marketplace aims to be a neutral space where customers, or buyers, want to book hotel rooms, or sellers, who possess the commodity or service, want to sell the directly. In simple terms BLAH is a direct booking extension / channel for [hotels](#), wherein customers who are looking for a great value deal will never be disappointed.

For the last decade, the hotel booking industry has been dominated by a few large companies that have failed to innovate and understand what's important to their customers and to the hotels they represent. Instead, people looking to book hotels have been forced to choose hotels solely on price, and hotels have lost a significant portion of their revenue and control of their pricing and inventory.

Consumers and hotel owners alike have been calling out for a platform that puts the power back into their hands, and that's where BLAH comes i
