

EGR USA Introduces Rugged Fender Flares for Mercedes-Benz Sprinter Van

EGR USA has introduced their Rugged Style Fender Flares in a UV-protected black matte finish for the 2019-2022 Mercedes-Benz Sprinter Van.

ONTARIO, CALIFORNIA, UNITED STATES, March 23, 2023 /EINPresswire.com/ -- The Sprinter van has been one of the most popular vans for customization offering options for camping, overlanding, and adventure travel, and is a favorite for many utility companies and fleets. Now, EGR USA, a leading manufacturer of high-quality premium truck accessories, has introduced their Rugged Style [Fender Flares](#) in a UV-protected black matte finish for the 2019-2022 Mercedes-Benz Sprinter Van. CNC robotically trimmed for a precision fit unlike any in the industry and developed from the highest quality raw virgin material, these flares are easy to install – no drilling required.

Backed by an exclusive Limited Lifetime Warranty and manufactured in the USA, EGR's Rugged Style Fender Flares add value, function, and style. With added tire coverage for protection and corrosion-resistant hardware included, these American-manufactured flares are an easy way to customize and add style and resale value.

Sold with an MSRP of under \$400, EGR's Rugged Fender Flares are sold as a set of four, and are designed to fit 170" wheelbase vans including the 2019-2022 Mercedes-Benz Sprinter 2500 (SKU 758604) for either the three-door standard passenger van, standard cargo van or extended cargo van. They are also available for the 2019-2022 Mercedes-Benz Sprinter 3500 (SKU 758604) for the three-door standard cargo van or extended cargo van that has a 170" wheelbase. EGR's USA-manufactured Rugged Fender Flares are shipped free within the Continental United States
