EuroJobsites - providing targeted access to highly qualified candidates

“

By adding Space-Careers.com [to EuroJobsites], we strengthen our access to niche recruitment in the growing sector of aerospace and space engineering.”

*Lars Peter Svane*

Being in an ultra-targeted niche, Space-Careers.com adds extensive value to EuroJobsites with its audience of highly qualified and experienced candidates. Recruiters using other EuroJobsites properties like [EuroEngineerJobs](#) will now be able to access these specialised candidates.

Space-Careers.com clients will benefit from being part of a larger group of niche jobsites with a well-developed product portfolio and a dedicated Accounts team renowned for its customer service.

Lars Peter Svane, founder and CEO of EuroJobsites, stated that “We have built the EuroJobsites family of quality Europe-wide niche jobsites over the last 20 years, including research science, engineering, and tech. By adding Space-Careers.com, we strengthen our access to niche recruitment in the growing sector of aerospace and space engineering. Pierre’s insider knowledge is reflected in the site’s clear focus. We are proud to be able to continue his work maintaining that focus, while leveraging our candidate reach in the European engineer, tech, and science areas and, of course, adding EuroJobsites’ targeted marketing and quality customer service into the mix.”

Space-Careers.com founder Pierre Oppetit expanded on the development, saying that “I built

Space-Careers.com structuring the offering using not only my own industry knowledge and experience, but also that of my extensive network. I'm proud of Space-Careers.com's reputation as the leading space recruitment website. After a fulfilling career in the space industry, I can now retire a happy man, leaving Space-Careers.com in the capable hands of the EuroJobsites team, knowing that they will provide excellent service to the sites' clients and job hunters."
