accreditations.” ~ Tanya Wigmore, Founder at CRO:NYX Digital

Platform Enablement Accreditation

The HubSpot Platform Enablement Accreditation is a credential that validates the skills and strategic experience required to drive user adoption through delivering customized HubSpot training to large teams and facilitating change management.

In addition to product-specific knowledge, to earn this accreditation, partners need to prove

aptitude in providing strategic and operational guidance, data-driven decision-making, training design and classroom management.

HubSpot Onboarding Accreditation

The HubSpot Onboarding Accreditation is a credential that validates the skills and strategic experience required to onboard large enterprise customers onto HubSpot.

In addition to product-specific knowledge, the skills and experience required to earn this accreditation include elements of project and stakeholder management, change management, and professionalism throughout the sales and discovery processes.

Growing Better with HubSpot

CRO:NYX Digital is fully committed to HubSpot's ethos to work with companies to 'Grow Better' by enabling their sales, marketing and customer service teams to have the tools and training they need to succeed.
