Sixteen-year-old Roosevelt is an international singer/songwriter, talk show host, and Childhelp ambassador who is speaking up against child abuse! Raised in a good home, Roosevelt set out on this journey at the age of 9 when she met & sang with the legendary Dick Van Dyke. This opened many doors (& hearts) to listen to this young leader's words. Since then, she took the challenge to raise \$1,000,000 to help abused children. Singing

primarily for charity/nonprofit events, Roosevelt's voice melts the heart and catches the attention of all who hear her. Thousands of people, including celebrities, politicians, businesses, and schools, have taken Roosevelt's #5toomany social media challenge to bring awareness to the fact that five kids die every day because of abuse – Roosevelt says, "That's five too many!"
