

# HL Gibson's New Book REALM Draws Readers Outside a Dangerous 3039 Earth

*Futuristic Adventure Paints A Vivid Picture of Loyalty, Love, and Redemption in Parallel Realms*

HARTVILLE, OHIO, UNITED STATES, March 23, 2023 /EINPresswire.com/ -- Author HL Gibson announces the release of her first book, REALM. Published by BookBaby under the Bezalel Media Imprint, the book is a tale of shattered paradigms and alternate realities that explores the essence of faith, life, and death occurring in parallel worlds with different timelines.

REALM takes place in 3039. The planet Earth is dying. Pollution has corrupted the atmosphere, making life capable only inside bio-domes, where crime runs rampant. Amid this despair and devastation, Rogue, a smuggler and gambler who was orphaned as a child, is struggling to earn enough gold coin to buy his way off Earth for life in an off-world colony.

Raine is a young, optimistic Global Enforcement Agent trying to save the world one person at a time while working for the most corrupt organization on Earth. When Raine specifically targets Rogue's smuggling operation for a takedown, she initiates a dance of pursuit and escape that conceals a deeper attachment neither is willing to admit.

“

HL Gibson, I'm ready for your next book! Your writing is spectacular! Finished Realm in 4 days, couldn't put it down!”

*Reader from Akron, OH*

“REALM is a fast-paced adventure that follows Rogue's story but also those of the peripheral characters, whose own unique set of problems are intricately woven into the tapestry of his journey,” Gibson explains. “Every scene within the narrative is an opportunity to not only examine an individual character's motivation, actions, and outcome but to observe oneself within the tale.”

## About the Author

HL Gibson, a native Ohioan, is a lifelong lover of books and storytelling. She credits her mother for instilling her passion for reading, which led her to cultivate a vivid imagination as a writer and inspired her to finally put her stories on the page. As a member of the Beth Tikkun Messianic Fellowship, her faith plays a significant role in crafting her fiction. HL has a vast and growing personal library, loves tea and classical music, and is a self-proclaimed bourbon snob. She is married with one son and five high-maintenance cats.
