Precision Cutting for a Perfect Fit: Larrauris Constructions' Expert Paver Installation

Exclusive Products: Chicago Bricks and Coral Stone

In addition to their exceptional installation services, Larrauris Constructions is also known for producing and importing high-quality materials, such as Chicago Bricks and Coral Stone. These materials are widely recognized for their durability, aesthetic appeal, and versatility, making them the perfect choice for various pavers installation projects.

Chicago Bricks

Chicago Bricks are renowned for their unique appearance and historical significance. These bricks have been salvaged from old buildings in the Chicago area and repurposed for use in modern construction projects. Larrauris Constructions imports and installs these beautiful and durable bricks, offering clients an eco-friendly and visually stunning option for their outdoor spaces.

Coral Stone

Coral Stone is a natural stone that offers a touch of elegance and sophistication to any outdoor space. This material is known for its durability, resistance to weathering, and ability to retain its natural beauty over time. Larrauris Constructions imports and installs Coral Stone, providing clients with a high-quality, long-lasting solution for their pavers installation projects.
