Trending ECigarettes Market Trend

An increasing number of mergers and acquisitions between traditional cigarette and e-cigarette

manufacturers is trending in the e-cigarette market. Traditional cigarette manufacturing companies and e-cigarette manufacturers are collaborating for product development or to improve their presence in the global market. For instance, British American Tobacco PLC., (BAT) an American British multinational cigarette and tobacco manufacturing company, acquired Reynolds American Inc. for \$49 billion. The acquisition favored BAT to have a stable presence in high-growth emerging markets and high-profitability developed markets. Reynolds American Inc. is an American tobacco company that manufactures tobacco products and e-cigarettes.
