HOUSTON, TEXAS, USA, March 23, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- At the young age of 19, Egyptian fashion designer Badr Badawi launched his very first boutique retailing bridal wear and evening wear featuring the top designers in his city. The inspiration to open up his own store came about while working directly with a couture designer who valued his critiques on the hottest and latest high-fashion trends.

Badawi embarked on a journey that took him to Paris, Italy, Holland and Dubai for the best fabrics with the dream of creating his own bridal brand. While scouring the world for the highest quality in fabrics, beading, notions and patterns, Badawi successfully designed his first couture bridal collection and subsequently birthed luxury fashion house Malton Couture.

“

Once I was determined, I traveled to Paris and Italy to find the perfect fabrics. After finding the fabrics I loved, I started designing my first collection.”
