"We are thrilled to be partnering with Practolytics, to deliver exceptional patient care and improve outcomes for patients with Treatment Resistant Depression".

*Dr. Sandeep Gupta, Chief Medical Officer at Brain Spa*

Dr. Sandeep Gupta, Chief Medical Officer at Brain Spa says, "We are thrilled to be partnering with Practolytics, a leading Revenue Cycle management company, to deliver exceptional patient care and improve outcomes for patients with Treatment Resistant Depression. The expert support and customized solutions offered by Practolytics will enable us to expand our services and reach more patients in need. We look forward to continuing to provide the highest quality of care to our patients, and we are confident that our partnership with Practolytics will help us achieve that goal."

Mr. Rajeev Mahajan, President of Business Operations at Brain Spa, added that "We are committed to providing accessible and effective treatment options for patients with TRD in the local area. We understand the impact that TRD can have on a person's quality of life, and we are

proud to offer a safe and comfortable environment for Spravato treatment. Our team of trained caregivers is dedicated to providing personalized care and support to each patient, ensuring the best possible outcomes."

Treatment Resistant Depression is a severe and persistent form of depression that affects millions of people worldwide. Spravato has emerged as a promising treatment option for patients with TRD, providing rapid relief of symptoms and offering hope to those who have not responded well to other anti-depressants.
