

# Waste Advantage Magazine's April and May Issues on Display at Waste Expo 2023

PALM BEACH GARDENS, FL, US, March 23, 2023 /EINPresswire.com/ -- The waste and recycling industry trade show season is underway and [Waste Advantage Magazine](#), North America's leading month publication for professionals in the waste and recycling industry, is participating in many of the events coming up over the next several months, including attending, exhibiting and displaying the publication.

The upcoming Waste Expo will be held from May 1 – 4 at the Ernest N. Morial Convention Center in New Orleans, LA. Waste Advantage Magazine will be exhibiting in Booth #1111 with the April and May editions on display. The April issue, which will be available on March 31 at [www.wasteadvantage.com](http://www.wasteadvantage.com), will feature stories on business communications, transfer stations, landfill safety, odor control, planning and analysis, etc. The May edition will focus on trucks, telematics, automation, facilities planning and design, shredders and grinders, and more.

"Waste Advantage Magazine continues to be a part of important industry events every year and Waste Expo is a great way to get exposure for not only the publication, but for our partners, article authors, and advertisers as well. Our goal in participating is to network with both exhibitors as well as attendees to continue to keep on top of trends in the industry," says Angelina Ruiz, Publisher of Waste Advantage Magazine. "We look forward to meeting and speaking with professionals in the industry and make new connections throughout the week. Be sure to visit our Booth #1111 at Waste Expo and pick up our April and May issues that will be on display."
