"Our BooXkeeping Team is not my employees, they are family! We are on this journey together, and what we are doing together is not TeamWORK, in my opinion, it is TeamLIFE." said Max Emma, BooXkeeping Franchise, Inc. CEO. "We are excited to bring the BooXkeeping brand to the 3rd location in Florida as we continue to expand across the U.S."

The new location will serve small businesses in the Miami area community. The goal is to improve service delivery to the Miami business community by having a physical presence within the area. The new Bookkeeping Franchise will adhere to the BooXkeeping business model which has made it the leading bookkeeping [franchise opportunity](#) available in the U.S. BooXkeeping is a nationwide provider of affordable outsourced bookkeeping services to small and medium-sized businesses.

Adding the Miami location is a strategic move that will allow the company to have a physical presence where local business owners can leverage the services of a national brand, but still, work with a bookkeeper they know and trust.

"We strongly believe in fielding teams with complementary skills that utilize an iterative approach to offering world-class bookkeeping services," says CEO Max Emma, "and we always seek to learn

from our customers, the accounting community, and our franchisees. Adding another location here will help BooXkeeping to magnify its efforts.”
