Helping Wine Lovers Find BYOW, Bring Your Own Wine, Restaurants and More

SOUTH AFRICA , May 5, 2023

/EINPresswire.com/ -- [CorkageFee](#), the popular restaurant guide for wine enthusiasts, has announced its official launch in South Africa. The app now features a comprehensive directory of restaurants, wineries, wine clubs, and wine-related businesses in the country.

South Africa's food and wine scene has been heavily influenced by its port city, Cape Town. Throughout the country, you can experience unique global cuisine with local ingredients and traditions. A special experience for locals and tourists alike is The Test Kitchen Carbon in Johannesburg. The

wine scene in South Africa, although it has been around for centuries, has really taken off in the last 20 years. Many new passionate wine makers have committed their careers to change the South African wine industry from a just popular export to a wine destination.
