

First Successful Month of GO: Go Global Launches 90-Day Video Series to Unlock Your Potential

SINGAPORE, SINGAPORE, March 27, 2023 /EINPresswire.com/ -- March 8, 2023 - In celebration of its first successful month of GO, the leading global education and training company, Go Global released a free video series to help its members unleash their full potential and achieve a goal, with the right mindset and accountability to support the journey over the 90-day period. Following the successful pre-launch of GO, with over 30,000 members in attendance, the company's CEO Nader Poordeljoo released a free video series to help individuals from all walks of life to discover their hidden talents and unleash their full potential.

Through the video series, participants will learn practical and effective strategies that they can implement overcoming self-limiting beliefs, increase their confidence, and achieve their personal and professional goals. The video series is designed to be accessible to anyone, regardless of their level of experience or industry, delivered through a series of engaging and motivational videos.

'The Ultimate Guide to Achieving Your Dreams in Just 90 Days' is available now on the GoGlobal's YouTube channel, and participants can sign up at any time. Each day, participants will receive a new video lesson, along with actionable steps to take to apply the lessons in their lives.

"We are committed to helping people reach their full potential, and we believe that this video series will help them to get into the mindset and habits of a successful leader," said Poordeljoo. "We encourage anyone who is ready to take their life to the next level to join us on this exciting journey."

The first month of GO was a success, but the voyage ahead promises to be thrilling. With the official launch scheduled in April 2023, GO is in a good position to expand and help more people realize their full potential because of its emphasis on education and personal development. This free video series is only a start of all the incredible educational resources and thought-leading teachers which GO will be bringing to its community.

The need for excellent education and personal development resources will only increase as the competitiveness and speed of the world increase, making GO an important tool for those trying to get ahead in the modern world, both personally and professionally.
