

Elgin Academy Teaches SEL Skills in Private School Setting to Help Barrington Private School Students

SEL teaches students in private schools near Barrington how to engage with their environment with more respect and understanding.

BARRINGTON, IL, USA, March 27, 2023 /EINPresswire.com/ -- Elgin Academy understands the importance of emotional well-being for Barrington [private school](#) students and throughout all aspects of society. [Private schools near Barrington](#) like Elgin Academy help students identify their feelings, understand and communicate with others, build strong relationships, and make good, empathetic decisions.

In a recent survey, 92% of executives said skills such as problem-solving and communicating clearly are equal to or more important than technical skills, yet 89% said they have a very or somewhat difficult time finding recent graduates with those skills

(<https://www.wsj.com/articles/employers-find-soft-skills-like-critical-thinking-in-short-supply-1472549400>).

SEL skills help successful Barrington [high school](#) students identify emotions and understand their influence on decision making. This emotional intelligence in schools offering a private education helps Barrington private school students – and adults – make wiser decisions to achieve their goals.

Essentially, SEL teaches Barrington private school students how to engage with their environment with more respect and understanding. It gives Barrington high school students a framework to develop a healthy self-esteem as well as improve their mental health by reducing
