

# HER SPORTS ACADEMY ANNOUNCES THEIR SOFT LAUNCH AND SPORTING EVENT AT CALIFORNIA STATE LONG BEACH JUNE 23-25th 2023

*The First Ever Women ONLY Sports Academy to Forecast a Collegiate Style Campus accompanied by Erecting an arm of Women's Professional Sports Leagues .*

LONG BEACH, CA, US, March 27, 2023 /EINPresswire.com/ -- HER [Sports Academy](#) is pleased to announce their implementation and vision for the future of Women's Professional Sports.

On June 23rd through June 25th HER Sports Academy will conduct a soft Launch at the California State University of Long Beach where they will hold an Elite Girl & Women's Sports Extravaganza.

The Event will present a 3-day overview of HER Sports Academy and what's in store for Girl & Women Athletes interested in advancing an athletic career that is not currently available, implemented or progressive.

HER Sports Academy has identified the disparity of female sports which is absent from early childhood, primary school, middle school, secondary school and then postsecondary. The Academy's position is to foster Female Athletes from all areas in the sports industry, upon Identifying these Athletes, the Academy anticipates building a "College Style Campus" that will allow for them to not only seek the training in their sport of choice, but will offer an education and sports curriculum to compliment, train and advance skilled-positions to a hopeful recruitment or a draft into a Professional Paid Sports career.

We are Womens Sports!

HER Sports Academy has found reports identifying; "50 Years of Title IX: We're Not Done Yet," by the [Women's Sports Foundation](#) to the celebration of TITLE IX Nearly 50 years after Title IX was enacted, WSF acknowledged that girls still have fewer opportunities to participate in high school sports than boys did in 1972. The report also found that, at high schools across the county, only 60% of girls are participating in sports compared to 75% of their male peers, and even fewer have professional and paid opportunities.

There was a NCAA report that also identified fewer than 2 percent of all college athletes will go on to play professional sports. For women's basketball, the odds are less than 1 in 100, with only 0.8 percent of players turning pro. The percentages of [Women Football Athletes](#) being paid as professionals are 0.

Save The Date

HER Sports Academy is not here to challenge the statistics but intends to bridge the gap for Women's Professional Sports. The training HER Sports Academy intends to provide will build the WOMEN'S PROFESSIONAL SPORTS SOCIETY that should have been built centuries ago.

“

“We will not stop until we see the future of Women's Professional Sports have the same opportunities in “Paid Salaries, Athletic as their male counterpart's experience” says CEO Stacie DeBerry.”

“We will not stop until we see the future of Women's Professional Sports and the Skilled Athletes that accompany them- have the same opportunities in “Paid Salaries, Athletic Training, Visibility, Fan Base, and Endorsements as their male counterpart's experience” says CEO Stacie DeBerry. DeBerry's passion cannot be ignored as she further explains that HER Sports Academy is seeking to raise its first financial raise of \$100 Million Dollars to build the First EVER all Women's Collegiate Style Campus and Academy to fulfill a gap in Women's Sports that has not yet been fulfilled.

Women's Sports will have the same opportunities even if I have to “recruit every Woman Executive” and “raise one penny at a time until those opportunities are fulfilled” further states DeBerry. DeBerry is providing the media a glimpse of what's forecasted at the Soft Launch in June which will include Girl and Women's Elite Sports Clinic, a Women's Celebrity Basketball Game accompanied by a Women's Tackle Football All Star Game Jamboree Style with prizes

available to the winners.
