It has just entered into a new sign this month after fifteen years and it could be a smart thing for you to get to know what to expect in the next two years as Pluto takes several years to change the guard.

“

...this may be the first-ever  
Pluto transit they'll bear  
witness to.”

*Allure Magazine*

"Depending on how old you are, you may have seen this occur just once, twice, or three times in your life thus far; for some [people who are younger], this may be the first-ever Pluto transit they'll bear witness to."  
- Allure Magazine
