LISBON, PORTUGAL, April 5, 2023
/EINPresswire.com/ -- [Running Remote](#) conference is back with a live event in Lisbon, Portugal, 25-26 April 2023.

Now in its 6th year of operation, the world's largest remote-work conference is back again! With over 8,500 previous attendees and 300 industry speakers, Running Remote has announced it will host its next live event in Lisbon, Portugal, April 25 - 26, 2023.

Guests from around the globe will attend in-person and virtually to learn the best strategies on remote and hybrid work, company culture, and workforce management in 2023 and beyond. Attendees include C-Level Executives, Founders, VPs and HR leaders from remote-first and hybrid companies – all looking to learn from and network with industry pioneers.

Speakers at the event are industry practitioners with extensive experience leading, running, and managing remote-first and hybrid teams. The lineup of 50+ experts includes David Allen, creator of the GTD framework, Sunaina Lobo, Chief HR & People Officer at Marqeta, Brian Elliott, Head of Future Forum & SVP at Slack, Annie Dean, Global Head of Team Anywhere at Atlassian, and Darren Murph, Vice President of Workplace Design and Remote Experience at Andela.

The two-day live event includes 19+ hours of learning, growth, and networking opportunities. Speakers will address common remote team challenges such as company culture, DEI, hiring & onboarding, communication, engagement & motivation, collaboration, change management,

Versão Portuguesa

A Conferência Running Remote está de volta em 2023 ao vivo e em Lisboa, Portugal, nos dias 25 e 26 de Abril

Celebrando o seu sexto ano de vida, o maior evento mundial totalmente focado no trabalho remoto está de volta, e desta vez escolheu Lisboa para juntar meio milhar de especialistas e entusiastas no tema. Com mais de 8500 delegados e 300 palestrantes ao longo destes anos o próximo evento será nos dias 24 e 25 de Abril no icônico SUD Lisboa.

O evento terá acesso presencial e virtual e conta normalmente com uma presença global, com representantes de todos os continentes, para aprender e partilhar as melhores estratégias de trabalho remoto, cultura empresarial, gestão de equipas e muito mais. Altos executivos, fundadores e vice-presidentes e direções de recursos humanos de empresas que já são remotas ou híbridas são a maioria, sempre com o objetivo de aprender e fazer networking com parceiros da indústria.

Os palestrantes do evento são líderes da indústria de empresas remotas, com experiência em primeira mão de gerir equipas. O alinhamento inclui David Allen, criador do famoso GTD (Get Things Done), Darren Murph, o Vice President of Workplace Design and Remote Experience do Andela, Brian Elliott, Líder do Future Forum e SVP do Slack, Lara Propsero, Global director of Learning da Microsoft, Eimear Marrinan, o Senior Director of Culture do Hubspot, Annie Dean, o Modern Work Designer & Evangelist da Atlassian, Sunaina Lobo, Chief HR & People Officer at Marqeta e muitos mais, [a lista completa aqui](#).

O evento de dois dias será uma mistura de aprendizagem, crescimento e oportunidades de networking, um total de mais de 20 horas de grande intensidade. Os temas abordados serão os típicos desafios de equipes remotas como: a cultura da empresa, contratar e integrar, comunicação, motivação e interação, colaboração, change management, etc. Haverá amplo espaço para perguntas, almoços e cafés, e tempo para se conectar com líderes do mundo do trabalho remoto.
