

EduMatch and Teq Announce New Partnership

EduMatch, a global education organization, has announced an exciting new partnership with Teq, a leading provider of technology and professional development.

ALEXANDRIA, VIRGINIA, USA, March 27, 2023 /EINPresswire.com/ -- [EduMatch](#), a global education

“

Teq has been serving education customers for over 50 years. This is the first time we have partnered with a company to provide [PD]...they were the right partner to...enhance our services with.”

Damian Scarfo, Teq CEO

platform renowned for connecting educators and learners worldwide, has announced an exciting new partnership with [Teq](#), a leading provider of technology and professional development for educators. Through this alliance, EduMatch will provide on-site professional learning services on behalf of Teq.

EduMatch, found at www.edumatch.org, is dedicated to connecting educators and learners across the globe, fostering collaboration and the sharing of best practices. With its extensive network and commitment to professional growth, EduMatch is well-positioned to help

educators reach their full potential.

Teq, accessible at teq.com, is known for its comprehensive professional development services, which include online and on-site support for schools and educators. Teq's focus on delivering exceptional learning experiences using cutting-edge technology complements EduMatch's core mission to empower educators around the world.

“Teq has been serving education customers for over 50 years,” said Teq CEO, Damian Scarfo, “and this is the first time we have partnered with a company to provide professional development. EduMatch has a high-quality network of consultants cover a wide range of instructional and edtech topics. That made us confident they were the right partner to expand and enhance our services with nationwide.”

In this partnership, EduMatch will leverage its expertise to provide on-site and virtual professional learning services for Teq's clientele. EduMatch's professional development resources, which include workshops, webinars, and instructional coaching, will support Teq's offerings throughout the United States.

EduMatch is excited to partner with Teq, and together they will empower teachers and learners to create a more innovative and inclusive educational landscape. Teq is looking forward to collaborating with EduMatch, a platform with a strong global network of passionate educators, to expand its in-person and virtual professional learning offerings.
