

The Top Disaster Recovery Software According to the FeaturedCustomers Spring 2023 Customer Success Report Rankings

FeaturedCustomers releases the Spring 2023 Disaster Recovery Software Customer Success Report.

SUNRISE, FL, USA, March 28, 2023

/EINPresswire.com/ -- Today FeaturedCustomers published the [Spring 2023 Disaster Recovery Software Customer Success Report](#) to give prospects better insight on which Disaster Recovery Software would work best for their business according to real customer references.

The highest rated vendors according to the Spring 2023 Disaster Recovery Software Customer Success Report are:

Market Leaders – Acronis, Asigra, Barracuda Networks, Cohesity, Commvault, Datto, Druva, NetApp, Rubrik, Unitrends, Veeam, Veritas Technologies, and Zerto were given the highest “Market Leader” award. Market Leaders are vendors with a substantial customer base & market share. Market Leaders have the highest ratio of customer reference content, content quality score, and social media presence relative to company size.

Top Performers – Altaro, Arcserve, Axcient, Hitachi Vantara, Infracore, and Vembu were awarded “Top Performer” honors. Top Performers are vendors with significant market presence and enough customer reference content to validate their vision. Top Performers products are highly rated by its customers but have not achieved the customer base and scale of a Market Leader relative to company size.

Rising Stars – Bacula Systems, NAKIVO, NovaStor, and SEP Software were awarded the “Rising Star” honor. Rising Stars are vendors that do not have the market presence of Market Leaders or Top Performers but understand where the market is going and has disruptive technology. Rising

Stars have been around long enough to establish momentum and a minimum amount of customer reference content along with a growing social presence.

About the Disaster Recovery Software Customer Success Report:

The customer success report is based on over 8,000 pieces of verified customer reference content. A vendor's overall customer success score is reached via a weighted average of their Content, Market Presence, and Company Scores. Of the vendors listed in the FeaturedCustomers' Disaster Recovery Software category, 23 vendors met the minimum requirements needed to be considered for the customer success report.
