NEW YORK, NY, UNITED STATES, March 28, 2023 /EINPresswire.com/ --

Starbright Floral Design has revealed their Spring-themed floral installation in the heart of NYC's Historic Flower District. This beautiful photo opportunity in Moxy Chelsea's lobby is already stopping pedestrians in their tracks on 28th Street and inviting all to welcome Spring to our great city. "We have been Moxy Chelsea's Official Floral Partner since Autumn of 2021," says Nikki Abis, Event Coordinator and Designer at Starbright Floral Design. "This season, our team has elevated the hotel's guest experience to a whole new level."

This instagrammable installation comes in time for warmer weather and tourism surging in Chelsea and nearby NoMad district. The Flower Market has long been a hidden gem in this neighborhood. Hotels, such as the Moxy Chelsea, have been popping up along 28th street's famous block in recent years and showing tourists a behind the scenes look at the iconic Flower Market.

"I love working with Starbright on our flower shop located in the lobby of Moxy Chelsea. Like all of the seasonal and holiday installations they have done at the hotel, the new Spring installation is breathtaking and a true Instagram moment for hotel guests and locals who visit Moxy
