

AltExchange Launches Platform for Asset Managers to Provide Digital Custodian Experience for RIAs and LPs

AltExchange's Digital Custodian Platform allows asset managers to provide modern reporting for alternative investments, without changing existing systems.

NEW YORK CITY, NEW YORK, UNITED STATES, March 28, 2023 /EINPresswire.com/ -- [AltExchange](#),

“

Our open architecture approach works with all fund administrators, and as a result, we can instantly provide sponsors with a way for RIAs to bill and report on their alts.”

Zak Boca, CEO of AltExchange

a fintech company digitizing alternative investments, launched a [Digital Custodian Platform](#) for asset managers to modernize and digitize alternative investment reporting. AltExchange's new Digital Custodian Platform allows asset managers of alternative investments to easily reach RIAs and reduce friction for their LPs.

Through AltExchange's Digital Custodian platform, asset managers can provide advisors and clients confidence and clarity in their alternative investment offerings, through real-time, transparent performance data. AltExchange's

Digital Custodian platform also removes friction and administrative barriers for RIAs and their clients with:

- One login for all clients' alternative investments
- Extracted and structured data from PDFs and online portals
- Comprehensive performance reporting
- Automated tax document collection (K-1s and 1099s)
- Direct reporting to TAMPS
- Open architecture approach (Keep existing systems)
- Ability to bill on alts, unlocked
- Fully-managed solution (software + service)

Zak Boca, CEO of AltExchange said:

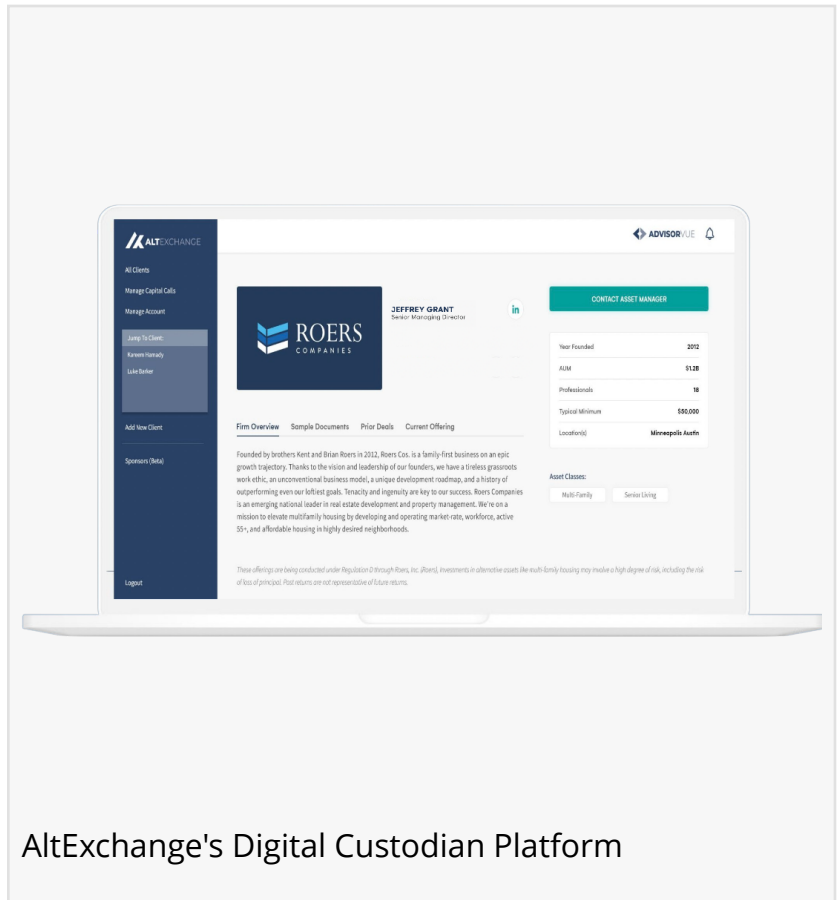

“AltExchange's Digital Custodian Platform is very simple - We provide a custodian experience for both sponsors and outside managers, without the sponsor changing the way they administer

funds or accept subscription documents. Our open architecture approach works with all fund administrators, and as a result, we can instantly provide sponsors with a way for RIAs to bill and report on their alts.”
