

# Reasons for setting up a holding company in the Netherlands

WINSCHOTEN, NETHERLANDS, March 28, 2023 /EINPresswire.com/ -- For which groups of people could a holding company in the [Netherlands](#) be of interest?

- \* E.g. for start-ups who need the protection of limited liability.
- \* E.g. for projects that are to be carried out within a precisely defined legal framework
- \* E.g. to clearly protect intellectual property from possible access
- \* E.g. for companies that want to be active in several countries at the same time
- \* E.g. for people who want to use a holding company for asset management
- \* E.g. for people who are currently restricted in their entrepreneurial freedom of movement
- \* E.g. for structures that want to use the different conditions in the [EU](#)
- \* E.g. for considerations to optimize costs, burdens and charges
- \* E.g. for companies that want to organize their structures in the best possible way
- \* E.g. for family businesses that want to clarify ownership and succession issues

Of course, these are just a few conceivable reasons to consider establishing a holding company in the Netherlands. Many of our clients have a mix of reasons to consider setting up a holding company in the Netherlands.

The advantages of a Dutch holding company in the legal form of a BV offer the following advantages for persons not living in the Netherlands:

- \* to set up quickly and unbureaucratically Formation costs and entry in the commercial register approx. € 800,00 to € 1.500,00 net.
- \* Universally applicable as a management, investment and financing company
- \* Can be used as general partner in other european companies
- \* The founder only needs to be present in person for notarial certification
- \* No Dutch bank account required to run the holding

- \* Interesting constructions through creative design options
- \* Inexpensive complete administration including business address, Dutch lease, postal service, current bookkeeping, correspondence with authorities, annual accounts, accounting, etc. for currently from € 700.00 net per month
