HOUSTON, TEXAS, UNITED STATES, March 28, 2023 /EINPresswire.com/ -- As Houston gears up to host the 2023 NCAA Men's Basketball Championship game, [the Law Offices of Willie Powells III](#), a premier law firm specializing in personal injury cases and complex litigation, is urging residents and visitors alike to stay safe and sober if driving during the festivities.

With thousands of people expected to flock to Houston for the event, there will be an increase in both vehicular and pedestrian traffic, making road safety a top priority. The firm is offering several tips on how to avoid drunk driving and its potentially devastating consequences:

- Always have a sober designated driver when going out with friends.
- Avoid drinking when alone to minimize risks behind the wheel.
- Use rideshare apps like Uber or Lyft to arrange safe transportation.
- Consider staying overnight at a friend or family member's house if you've been drinking.

The firm also reminds the public that state and local law enforcement agencies will be stepping up patrols during the championship weekend to ensure safety on the roads. At last year's Final Four weekend, impaired drivers caused hundreds of alcohol-related crashes, resulting in numerous injuries and fatalities.

As the use of rideshare services like Uber and Lyft continues to grow, it is essential for both passengers and drivers to prioritize safety during rides. The Law Offices of Willie Powells III would like to remind everyone that although rideshare apps provide a convenient alternative to
