Capital improvements totaling an estimated \$4 million for the network of campuses have included the updating and compliance of current building codes, installations of playgrounds, kitchen renovations, adding ADA ramps, resurfacing parking lots, repainting and refreshing classrooms, refinishing gymnasium floors, securing foundations and further securing perimeters.

Legacy Traditional School - Lee Academy and Legacy Traditional School - Saenz, which offers Kindergarten through High School at one campus location - will be jointly

renamed to [Legacy Traditional School - Basse](#). Additionally, the Wolfpack nickname and wolf mascot will remain as Legacy - Basse's athletic visual identity. Legacy Traditional School - Basse is located at 1826 Basse Rd, San Antonio, TX 78213.

Legacy Traditional School - Kelley, which offers Pre-K through 5th Grade, will be renamed to

[Legacy Traditional School - Oblate](#). The school's Wolfpack nickname and mascot are also changing to the "Cubs," allowing the Oblate campus to form its own school identity emblematic and appropriate for its elementary-grade students while remaining cohesive with the institutional brand.

According to School Board President Patrick Britton, "This vision and transformation started some time ago when we realized that students are confronted by an increasingly competitive world that requires schools to make substantive changes that meet community needs."

Britton explained that the renamed schools reflect the institution's mission and significance to the surrounding communities they serve, as well as enable the schools to compete and be recognized as true contenders.
