

Government Technology Names Top 25 Doers, Dreamers and Drivers of 2023

Annual awards program honors visionary public-sector technology leaders.

SACRAMENTO, CALIFORNIA, UNITED STATES, March 30, 2023

/EINPresswire.com/ -- [Government Technology](#) magazine today

announced its 2023 Top 25 Doers, Dreamers and Drivers. Now in its 22nd

year, this year's Top 25 honorees are

innovators, collaborators and transformers driven to improve state and local government through technology.

Featured in Government Technology's April/May issue, this year's roster of honorees includes state and local CIOs and agency leaders, nonprofit and special district executives working to keep the public sector operating efficiently in service of residents across the country. See the full list of winners below.

"Every year, our Top 25 winners demonstrate an unwavering commitment to the often unglamorous work of making sure the systems that run government nationwide are accessible, reliable and fit for the 21st century, and this year is no exception," said Noelle Knell, editor of Government Technology.

Read the winners' stories [here](#).
