CLASSIC CAR OWNERS WONDERING "HOW TO SELL" A PORSCHE 911 CAN GET A FAIR APPRAISAL ON A CLASSIC VEHICLE

Here is the background on this release. The Porsche 911 has been a popular luxury car for decades. According to Porsche Cars North America (<https://www.porsche.com/usa/aboutporsche/porshecarsnorthamerica/>), retail deliveries for 2021 reached 70,025 new vehicles. Classic Porsche 911s from any decade remain popular in the vintage car market and can carry an excellent resale value. If a vintage luxury vehicle requires restoration, it may not interest a traditional used-car dealer. Indeed, the owner of a classic Porsche 911 in poor condition may need help with "how to sell my car." One of the top online classic car buyers can help assess the value and provide a fair price for a used classic Porsche 911.
