BATON ROUGE, LOUISIANA, UNITED STATES, March 28, 2023

/EINPresswire.com/ -- In his newest podcast series, "Grubbin' with G," Louisiana personal injury attorney Gordon McKernan unites his love for food and conversation while creating a unique and entertaining experience for his audience.

The premise of the series is simple:

McKernan invites a guest to dine with him at a local restaurant for a meal and conversation. The informal setting is intended to make his audience feel like they're sitting at the table with him and his guest.

Previous episodes feature Angel Reese and [Kim Mulkey](#) from LSU Women's Basketball. McKernan also plans to release episodes with LSU Baseball's Tre Morgan and LSU Football's Maason Smith before expanding to guests of many more backgrounds for future episodes.

Today, McKernan shared his latest episode featuring [Flau'jae Johnson](#), a freshman guard with the LSU Women's Basketball team and a rising star in the music industry. Flau'jae, who signed a NIL deal with McKernan last month, joined McKernan's family at her favorite Baton Rouge restaurant, Fiery Crab.

With bibs around their necks and their elbows pinned to the table while peeling shells, McKernan and Johnson discussed a wide variety of topics from her music career to her favorite homecooked meal and the significance of the No. 4 jersey number in her life.

At one point, McKernan asked Flau'jae about Coach Mulkey. Johnson noted Mulkey's unique sense of style praising her for "breaking barriers for what coaches can wear or should wear."

McKernan and Johnson indulge in great food and engaging conversation on McKernan's latest podcast episode.

Some of McKernan's fondest memories have taken place at the dinner table, where he's been able to connect with others over a shared meal. With "Grubbin' with G," he's able to bring that same sense of connection to a wider audience.
