

UF-TOOLS to Showcase New Products and Live Broadcast at Global Sources Electronics Shows

HONG KONG, CHINA, March 29, 2023 /EINPresswire.com/ -- UF-TOOLS, a leading [manufacturer of precision tools](#), power tools, accessories, and household maintenance tool kits, will be exhibiting at the upcoming Global Sources Electronics Shows in Hong Kong.

The Global Sources Electronics Shows are two of the most significant events for the electronics industry, and UF-TOOLS is excited to showcase its latest products to a global audience. Attendees will have the opportunity to see UF-TOOLS' innovative products up close and learn about the company's commitment to providing high-quality tools at a competitive price.

UF-TOOLS will be showcasing at two exhibitions:

Global Sources Consumer Electronics Show

Date: April 11th to 14th;

Booth No.: 6J06;

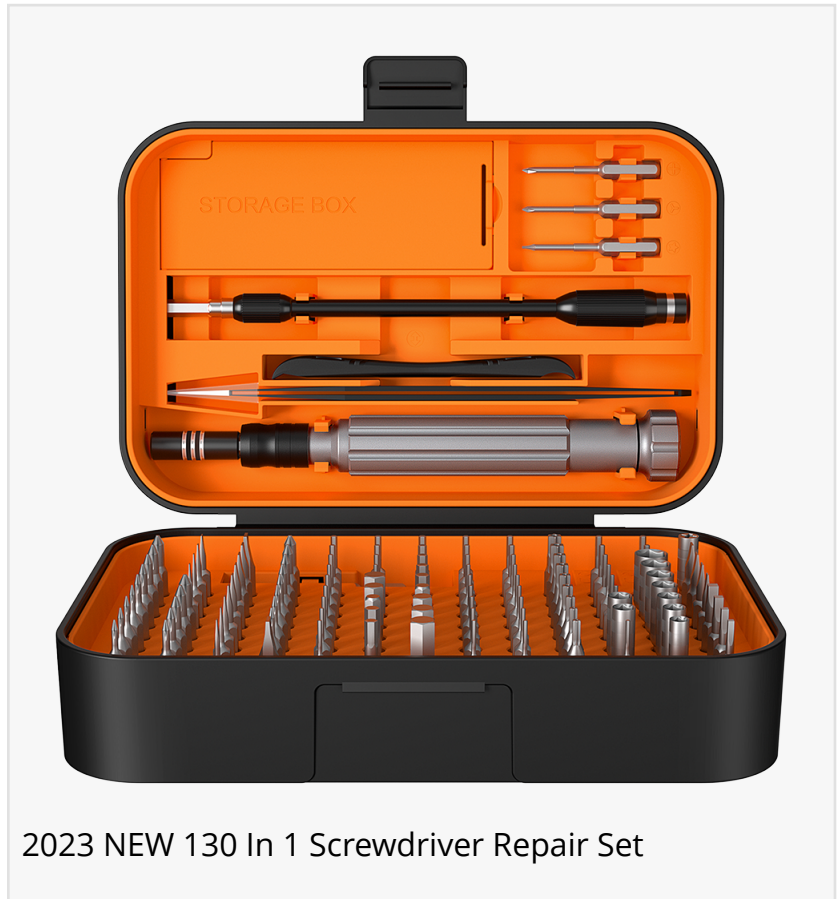

Address: AsiaWorld Expo in Hong Kong

Global Sources Mobile Electronics Show

Date: April 18th to 21st;

Booth No.: 6J06;

Address: AsiaWorld Expo in Hong Kong

2023 NEW 130 In 1 Screwdriver Repair Set

UF-TOOLS is proud to introduce three new products at the exhibitions:

58 in 1 Cordless [Electric Precision Screwdriver](#)

This powerful precision screwdriver is perfect for a wide range of applications, from DIY projects to professional digital product repair

2023 NEW [130 In 1 Screwdriver Repair Set](#)

This comprehensive set includes all the essential tools for precision work, including screwdrivers, pliers, and tweezers.

UF-TOOLS will also be broadcasting live on YouTube and Alibaba International Station during the exhibitions. This will provide attendees who are not able to attend the event in person with the opportunity to see the new products and learn about the company's offerings.

In addition, UF-TOOLS will be offering free samples of its products to all visitors at the exhibition. This is an excellent opportunity for attendees to try out the products and experience the quality and performance of UF-TOOLS' tools.

UF-TOOLS has been in the tool industry for over ten years, and their experience and expertise make them a leader in the field. Their commitment to quality and affordability has allowed them to establish a strong presence in various markets and industries worldwide.

"We are thrilled to showcase our latest products and broadcast live during the Global Sources Electronics Shows," said Frank Fang, CEO of UF-TOOLS. "We believe that our innovative and high-quality tools will provide significant value to our customers, and we look forward to meeting new partners and customers at the exhibitions."

UF-TOOLS invites all attendees to visit their booth at the exhibitions to learn more about their products and services. For more information, please visit their website or contact them directly.
