innovative and unique services or solutions based on Microsoft technologies that help customers solve challenges of the social enterprises and help them ease their digital transformation journey.

“We are honored to receive Microsoft’s Asia Pacific Region Social Impact 2023 award. This award is an affirmation of the excellent work that we have been doing in social enterprises to empower customers to navigate their digital transformation journey and become more productive, and innovative - to drive greater societal impact. The recognition is also a testament to our strong relationship with Microsoft and the work we have been doing together for more than a decade to help clients modernize their businesses. We look forward to our continued success working with Microsoft” said Radhakrishna Bijjala, CEO, Total eBiz Solutions .

“Creating positive social change has always been @ Total eBiz’s priority. I am proud to see their efforts being recognized at the Microsoft Asia Pacific Region Social Impact Recognition Award 2023. This is an incredible award that acknowledges the excellent, impactful work they have delivered. We are looking forward to taking our collaboration to greater heights and leveraging Microsoft-based technologies to address some of the greatest societal challenges in the region, together.” said Foong Chee Ngiam, Director – Partner Business Development, Asia Pacific
