Research Approach & Assumptions:

- HTF MI describes major trends of Global Mobile Home Insurance Market using final data for 2022 and previous years, as well as quarterly or annual reports for 2022. In general, the Years considered in the study i.e. base year is 2022, Historical data is considered as 2018-2022 and the Forecast time frame is 2023E-2030.

- Various analytical tools were used to assess how the insurance Sector and particularly Mobile Home Insurance Industry might respond over the next decade to global macroeconomic shifts. Our " consensus scenario" assumes a recovery of Global GDP growth in the coming years in addition to fluctuating interest rates; the results presented in Mobile Home Insurance Market report reflect the output of this model.

- While calculating the growth of Mobile Home Insurance Market, we generally used nominal gross premium figures based on 2022 fixed exchange rates, since this data allowed us to compare local growth rates without the interference of currency fluctuations. The exceptions, which use floating exchange rates, are Argentina, Ukraine, and Venezuela, many African Countries, etc due to high inflation rates.
