This Pizzas market report can be used to help clients develop and implement strategies. Highly skilled and experienced market research professionals continuously monitor key industries to spot potential growth opportunities, key developments, and unmet needs.

Pizzas Market

Pizza delivery services have seen an uptick in demand as consumers seek comfort foods during the pandemic. With many restaurants closed or operating at reduced capacity, many people are turning to delivery for their meals.

According to a recent survey, pizza delivery orders have surged by more than 40% since the start of the pandemic. This trend is expected to continue as people stay at home and seek out convenient meal options. Pizza delivery orders have seen tremendous growth in recent months, providing companies like Domino's, Papa John's, and Pizza Hut with an opportunity to expand their business. People are seeking easy yet delicious meals to grab on the go as more and more people turn towards delivery services for takeout meals.
