

IPT Well Solutions Brings Expertise in Well Engineering and Sustainability to Houston with New Office Opening

IPT Well Solutions has opened a new office in Houston, Texas. The expansion aims to strengthen relationships with clients and partners in the region.

HOUSTON, TEXAS, UNITED STATES, March 29, 2023 /EINPresswire.com/ -- [IPT Well Solutions](#), an independent consulting firm specializing in well engineering, wellsite operations, and environmental sustainability, is proud to announce the opening of its new office in Houston, Texas. This expansion marks an important milestone for IPT Well Solutions as it continues to serve clients in the energy industry.

IPT Well Solutions Houston Office

With over 30 years of experience, IPT Well Solutions has leveraged its expertise into municipal and industrial wastewater, ESG, and carbon capture and storage projects. The company's team of experts provides actionable advice and services for common and not-so-common wellsite needs, helping clients achieve high-performing wells, in less time and at reduced risk.

“

Our expansion to Houston is a testament to our commitment to serving the energy industry and supporting our clients in this region.”

Dave Mannon

“Our expansion to Houston is a testament to our commitment to serving the energy industry and supporting our clients in this region,” said Dave Mannon, IPT Well Solution's CEO. “We recognize the importance of having a local presence and our Houston office will allow

us to better serve our clients in the region, expand our network, and strengthen our relationships with industry partners.”

The newly opened Houston office will continue to provide expert consulting services in well engineering, wellsite operations, and environmental sustainability, as an extension of its Denver location. IPT Well Solutions is eager to support the energy industry in Houston.

"We are excited to be a part of Houston's vibrant energy community and look forward to building relationships with clients and industry partners in the region," said Garrett Stevens, Vice President of Sales and Marketing. "Our team of experts is dedicated to providing innovative solutions and delivering value to our clients. We are committed to helping our clients overcome the obstacles and succeed in today's changing and increasingly complex regulatory environment."
