

# REPORTINGMD ANNOUNCES HIRING OF TWO ESTEEMED CLINICIANS

*ReportingMD appoints new Chief Medical Office Advisor & Product Manager*

GEORGES MILLS, NH, UNITED STATES, March 29, 2023 /EINPresswire.com/ -- New Hampshire healthcare analytic data firm, ReportingMD, has appointed new hires [Dr. Larry Blosser](#) as Chief Medical Officer Advisor and Konrad Starczak as Product Manager, both of which are joining the ReportingMD team with notable backgrounds in the medical profession. Dr. Blosser will help with overall advising across the ReportingMD team while Physician Assistant Starczak will help implement and assist with alterations to the Total Outcomes Management (TOM) software product.

Michael Deyett CEO and Founder of ReportingMD

Dr. Blosser brings over 40 years of healthcare experience to the ReportingMD team and spending nearly 30 years as a Physician and President at Northwest Family Physicians in Upper Arlington, Ohio. Dr. Blosser then became the Corporate Medical Director and then Chief Medical Officer at Central Ohio Primary Care. As CMO and Corporate Medical Director, Dr. Blosser focused heavily on quality performance and value -based physician compensation.

“

ReportingMD enthusiastically welcomes clinicians Larry and Konrad. I know that with both of their healthcare experiences will better serve our clients and expand our value based care initiatives.”

*Michael Deyett, CEO / Founder*

Mr. Starczak, with almost 7 years of clinical experience as a Physician’s Assistant, joins ReportingMD from Concord Hospital where he was an Emergency Department Physician Assistant. Before the Concord Emergency Department, Mr. Starczak worked in the Emergency Department at Kimball Medical Center before taking a

break to work in orthopedics at Concord Orthopedics. He then rejoined the Emergency Department at Concord Hospital. He joins ReportingMD also with a background in web

development, which will be well utilized within ReportingMD's software program.

"We at ReportingMD enthusiastically welcome clinicians Larry and Konrad to the team," says Founder/CEO Michael Deyett, "I know that with both of their extensive accolades in healthcare, ReportingMD will be able to not only better serve our currently clients, but will be able to expand our client base while still providing the white-glove service that we are known for."
