

# Ascent Diet Cleanse Accelerating Weight Loss The Healthy Way

*Long term weight loss program, Ascent Diet Cleanse, by award-winning supplement brand, Accelerated Health Products, celebrates its 1st anniversary this month.*

NEWPORT BEACH, CALIFORNIA, UNITED STATES, March 30, 2023 /EINPresswire.com/ -- In March 2022, Certified Supplement Expert and Founder of [Accelerated Health Products](#), Sara Banta, launched a unique 30-day detox and cleanse program that had been years in the making.

"For many years I have researched and studied the effects of detoxing and cleansing on the body. There were so many unhealthy detox programs out there, I knew there must be a better way to cleanse the body and accelerate fat loss. Being a supplement expert with access to some of the health industry's best experts, I was able to create the [Ascent Diet Cleanse](#)", says Sara.

"There is nothing like the Ascent Diet Cleanse program. Supplements, group coaching, support, food lists, podcasts - everything someone needs to complete the program successfully is available at their fingertips", continues Sara. "It is so important someone carry out a cleanse the right way, with the right supplementation and support. Not just carry out a cleanse they found online without any support or follow-up. That's what the Ascent Diet Cleanse offers."

Recently awarded a best supplement award by LUX Beauty Awards for the 3rd year in a row, Accelerated Health Products is a supplement company that offers knowledge and education so that customers feel supported on their journey into natural health.

The next 30-Day Ascent Diet Cleanse program commences Monday, April 3rd, 2023.
