In announcing the relationship, Celebration Wellness's CEO Tim Kopatich noted that Jaco 360 has been a leader for more than ten years in providing tourist related transportation needs for the Central American country's more than three million foreign visitors a year.

"During our patient's stay in Costa Rica, Jaco 360 will be available to provide our patients with local transportation needs and can arrange tours of the country's most popular destinations including: the Arenal Volcano, Manuel Antonio National Park, Tortuga Island, as well as arrange outdoor activities including ziplining and sport fishing," said Tim Kopatich, Chief Executive Officer of Celebration.

Eric Holzgang, the owner of Jaco 360, in congratulating Mr. Kopatich on the scheduled Grand Opening of Celebration Wellness, said that he and his highly trained staff look forward to enhancing the time spent by Celebration's patients in Costa Rica by providing them with the rare opportunity of experiencing the many natural wonders of the Central American nation.

"Costa Rica is among the world's top medical tourism destinations and is number one for medical tourism in the Western Hemisphere," said Holzgang.

Kopatich concluded by noting that Celebration Wellness and its medical team under the leadership of the “Father of Stem Cell Research” Dr. Anand Srivastava, has more than twenty years experience in treating patients for autoimmune diseases, orthopedic concerns, and anti-aging therapies.
