

# EarthX Invites the Dallas Business Community to Come Together for Two Insightful and Inspiring Luncheons April 21 & 22

*Noted Speakers Including Rick Perry, Alex Epstein and Van Jones Headline Business Luncheons*

DALLAS, TX, UNITED STATES, March 30, 2023 /EINPresswire.com/ -- Since its inception, [EarthX](#) has had a reputation for bringing together diverse perspectives and opinions to advance the collaborative work for our planet. This year, EarthX offers business leaders from North Texas and beyond the chance to hear from some of the country's top thinkers at two high-powered luncheons hosted at Fair Park during Earthx2023.

On Friday, April 21, former Texas Gov. Rick Perry will moderate a discussion between Alex Epstein, the author of *Fossil Future* and *The Moral Case for Fossil Fuels*, and Dr. John Nielsen-Gammon, the Texas State Climatologist.

On Saturday, April 22, media personality [Van Jones](#) will share insights on America's path to bridging dialogue on green initiatives. In addition to his role on CNN, Jones was a champion of the Green Jobs Act and served the Obama administration as Special Advisor for Green Jobs.

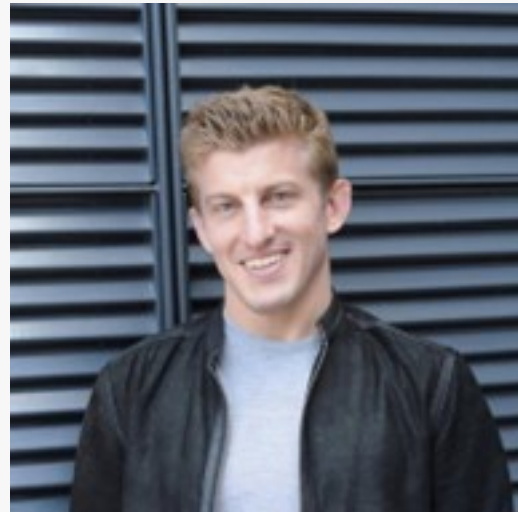

Both luncheons will be held in conjunction with the EarthxExpo and the Congress of Conferences at Dallas Fair Park. The luncheons will be held at noon in the Women's Building. Registration for each luncheon can be made at via Eventive for \$100 per person.
