

WeDriveU Customers Named 2023 Best Workplaces for Commuters and Best Universities for Commuters

BURLINGAME, CA, USA, March 30, 2023

/EINPresswire.com/ -- [WeDriveU](#), a

National Express company leading shuttle solutions for workplaces and campuses, today announced 11 customers were named Best Workplaces for Commuters and Best Universities for Commuters across more than 15 locations served by its shuttles.

These accolades from Best Workplaces for Commuters set our customers apart and reflect the positive impact on their communities. We're thrilled for the winners, our passengers, and our drivers..."

Director of Customer Success*

The program honors U.S. employers and properties with a "National Standard of Excellence" designation for exceptional commuter benefits, such as shuttles, transit passes, vanpools, bicycling and parking cash-out options (enabling commuters to trade free parking for a cash equivalent).

WeDriveU congratulates client Princeton University (Princeton, NJ) on their first appearance on the list, joining AMA Plaza (Chicago, IL), Genentech (South San Francisco, CA), Northwestern University* (Chicago, IL), Oyster Point Mobility* (South San Francisco, CA), Tesla (Fremont, CA)

and other clients returning as award winners for several consecutive years.

"This was a record-breaking year recognizing top employers and universities offering high-level commuter benefits," said Julie Bond, Program Manager, Best Workplaces for Commuters.

"WeDriveU and their customers raised the bar with mobility solutions that are economically and environmentally beneficial."

"As journeys to workplaces and campuses evolve, our customers are leading the way by making it easier for commuters to choose shared options," said Joanna Rustin, Vice President of Marketing for National Express North America. "We're grateful to Best Workplaces for Commuters for shining the spotlight on their vision and achievements driving the modal shift

from cars to sustainable transportation.”

WeDriveU Director of Customer Success Jeremy Devray added, “These accolades from Best Workplaces for Commuters set our customers apart and reflect the positive impact on their communities. We’re thrilled for the winners, our passengers, and our drivers and teams that support them.”

About Best Workplaces for Commuters

Best Workplaces for Commuters (BWC) is the national authority on recognizing and assisting workplaces that provide exceptional commuter benefits to employees. BWC provides support to create and sustain an employer-provided commuter benefit program, recognizing over 600 workplaces with designation representing over two million employees. The program is managed by the Center for Urban Transportation Research (CUTR) at the University of South Florida with support from the Florida Department of Transportation. CUTR is internationally recognized in transportation research, education and technology transfer/training/outreach. As home to the National Institute of Congestion Reduction, CUTR was competitively selected by the U.S. Department of Transportation in 2020 as the national university transportation center focused on congestion. www.bestworkplaces.org www.cutr.usf.edu
