The 2023 Urgent Care Convention is produced and presented by the [Urgent Care Association](#) and College of Urgent Care Medicine and is the premier event for Urgent Care professionals. With the event expected to host close to 1,000 attendees, the Urgent Care Convention is the most robust educational and networking event in Urgent Care. Attendees will enjoy five concurrent educational tracks of clinical, operational and hands-on sessions.

“We're thrilled to be participating in this year's Urgent Care Convention,” said PHASE Chief Revenue Officer Doug Field. “We see this event as a great opportunity to connect with industry leaders, share our latest products and services,

and demonstrate our commitment to helping Urgent Care providers deliver the highest quality care to their patients.”

PHASE will be sharing its INDICAID® COVID-19 Rapid Antigen At-Home Test at Booth No. 227 within the Solutions.Expo and is looking forward to the opportunity to have one-on-one discussions with attendees.

"The Urgent Care Convention is a must-attend event for anyone in Urgent Care who is looking to grow and connect with those they may not have the opportunity to connect with any other time of year," said Doug. "We look forward to meeting with all attendees, sharing our insights and showing how we're contributing to this industry and Driving Change."
