explained Jason Jantzen, Managing Partner of Ahipoki.

Ahipoki opened their first location in Temple City, California in December 2015 followed by their second location in Scottsdale, Arizona in April 2016. The company brought the very first poke restaurant concept to Arizona and has since grown rapidly and named in the "Top 10 Poke Restaurants in the Nation" by USA Today.

About Ahipoki:

The Ahipoki concept was born out of the desire of a restaurant group wanting to bring a much-needed health-conscious California inspired seafood restaurant with a south pacific flair to its customers. Health-conscious poke bowl lovers can sit down and relax in a laid-back atmosphere all while enjoying the fusion of Japanese and Hawaiian flavors coupled with a fresh fish experience normally found outside of a quick serve restaurant.
