

# JUDY RENTZ: HEALING FROM WITHIN

*Judy Rentz shares her light of healing with readers in her book, [Fighting to Survive](#)*

TORONTO, ONTARIO, CANADA, March 30, 2023 /EINPresswire.com/ -- People may feel all the negative thoughts, especially when they are also diagnosed with disease-related pain. On the other hand, to feel alive and to fully experience each moment in this world without regrets is to experience more than just the feeling of suffering.

Judy V. Rentz was diagnosed with disease-related pain and went to several doctors and ended up with the

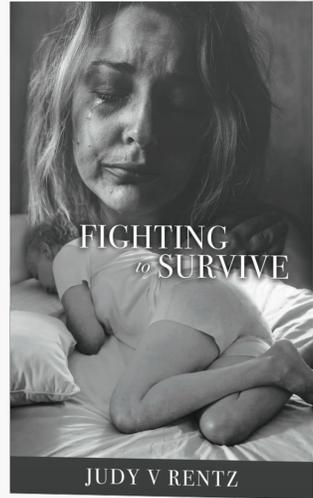

same disappointment in knowing that there was no cure to her suffering. Rentz has suffered six years of hip and leg pain yet her inner self knows that any pain can be healed from within.

To help people like her who are suffering in any way, Judy has authored a book titled, [Fighting to Survive](#) to inspire readers and give them a light that any suffering can always be helped if you seek guidance from the Lord. Her path to healing from within will always be a big help to herself and hopes that this book can guide readers across the world to lessen their suffering by starting to think that they are healing from within.

Join Judy Rentz in her path of healing by reading more about [Fighting to Survive](#) by purchasing her book on [Amazon](#) in Kindle or Paperback.

Also available on Barnes & Noble, GoodReads, Better World Books, and other digital bookstores across the globe!
