SINGAPORE, April 1, 2023

[/EINPresswire.com/](https://www.einpresswire.com/) -- Path Infotech, a member of Oracle PartnerNetwork (OPN), today confirmed it is [sponsoring](#) Oracle CloudWorld Tour Singapore scheduled for April 4, 2023. The event will feature opportunities for attendees to listen to thought-provoking keynote speakers, attend informative breakout sessions, network with industry experts, and experience partner solutions.

Path Infotech has three decades of experience in Oracle technologies and deep technical expertise in delivering enhanced services to its customer base. At Oracle CloudWorld, Path will be introducing CLOUDnU – an Automation-Led End-to-End Service Delivery Framework at Booth #55. Path's end-to-end experience in Applications, Databases, Infrastructure, Integrations, & Security forms the foundation of CLOUDnU. It is a low-risk, high-quality, cost-effective service framework designed to automate Cloud adoption for organizations.

Vishal K Aggarwal – VP, Cloud & Platform Management Services, Path Infotech, will be speaking at a panel discussion, alongside key customers, about how businesses are driving rapid business transformation and successful cloud journeys. Vishal will share insights on how CLOUDnU is accelerating & simplifying the Cloud Journey for customers.

Tuesday, April 04, 2023, 1:30-2:00 PM SGT
