Artsy Monke NFTs are a unique collection of 10,000 limited edition, machine-drawn digital monkeys, each with its own distinct combination of features and accessories. The collection has gained significant popularity among NFT enthusiasts and has been featured in prominent digital art publications. Collectors are drawn to the vibrant colors, intricate details, and the sense of individuality that each Artsy Monke exudes.

The couple's honeymoon plans are said to include a virtual tour of the Metaverse, where they will explore various digital art galleries and attend exclusive NFT events.

While the legality of the marriage is still being questioned, Cast's devotion to his Artsy Monke NFTs has undoubtedly brought new attention to the collection. It remains to be seen whether this unconventional union will inspire other NFT enthusiasts to follow suit.
