"As a faith-based entrepreneur, I've had a passion for helping other faith-based leaders bring their message online. So when God gave us the nudge to launch Faithcast.co, a Salescast solution, I can't put into words how fulfilling this is," said Chad Burmeister, CEO of BDR.ai.

Faithcast.co is designed to empower faith-based organizations to share their message with a global audience through the power of podcasting and short-form social media video. The service offers end-to-end production services, including scriptwriting, recording, editing, and distribution across all major podcasting platforms and social media channels.

"We are thrilled to partner with BDR.ai to help us expand our reach and launch Faithcast.co," said Chris Decker, CEO of Salescast.co. "With BDR.ai's expertise in sales automation and AI, we can better serve our clients and provide them with the tools they need to reach a wider audience and grow their community."

Faithcast.co is the perfect solution for faith-based organizations that want to expand their reach beyond the four walls of their church or community. By leveraging the power of podcasting and social media, faith-based leaders can engage with their audience on a deeper level and share their message with people around the world.

"BDR.ai is committed to supporting faith-based organizations and helping them grow their audience and impact," said Burmeister. "We believe that Faithcast.co is the perfect solution for

faith-based leaders who want to take their message to the next level. We are excited to partner with Salescast.co and look forward to the incredible impact that Faithcast.co will have on the world."
