

# Air Expo India 2023, a new general aviation exhibition for Asia

*The Honorable Minister of Civil Aviation Shri Jyotiraditya M. Scindia confirms he will attend Air Expo India.*

NEW DELHI, NEW DELHI, INDIA, April 4, 2023 /EINPresswire.com/ -- New Delhi / April 2023 : The Honorable Minister of Civil Aviation Shri Jyotiraditya M.

Scindia has given his consent for organizing the Air Expo India 2023, which will be the first-of-its-kind exhibition of General Aviation / Business Jets at Indira Gandhi International Airport New Delhi in December 2023.

The Honorable Minister of Civil Aviation also confirms he will attend the opening ceremony of the Expo in December.

Air Expo India aligns with the government's vision to make India the world's largest civil aviation market!

Civil Aviation is poised to play a significant role in India's growing economy. The show launch highlights the growth potential of the country's aviation market, with expanding fixed-wing fleets and eVTOL manufacturing proposed for the region. Coupled with this is the importance and growth of General Aviation.

India today boasts of being the world's 3rd largest civil aviation market, with a significant propensity to grow through various initiatives including Udan scheme, increase in number of airports, etc. This will be further fuelled by the economic growth within the country, increasing the propensity of travel and availability of multiple options.

Delhi, being the national capital, has a significant advantage for showcasing this segment, as it serves as a central gateway for both domestic and international destinations. Delhi Airport today has 2 dedicated FBO terminals with MRO facilities, which will further enhance the importance of this key segment.

Air Expo India will take place over three days from 6th to 8th December 2023 and will welcome

exhibitors and delegates from around the world, representing local and international aviation companies, owners, operators, suppliers, and media.

Air Expo India will focus on the latest trends, training and recruitment within the aviation industry - Empowerment through training.

The event aims to provide an opportunity to learn about careers, exchange ideas, address the challenges which face Human Capital Development Needs in India, ask questions of industry experts and enjoy a hands-on experience within the general aviation industry. The event will also include a Knowledge Sharing conferences, with CAPA as the Knowledge Partner.

Air Expo India targets general aviation exhibitors who will come together on a static area. The space will accommodate 50 aircrafts ranging in size from single and twin-engine models to private jets. The show format will reflect the approach organised by Adone Events at Abu Dhabi Air Expo, France Air Expo and African Air Expo, which offers exhibits next to the runway enabling manufacturers to present their entire range of aircraft. Delhi International Airport Limited will host the event at the Delhi Airport.
