

eZ-XPO Launches the World's 1st eZ-GPT for Hybrid Event Organizers, Exhibitors, and Digital Marketing Agencies

eZ-GPT is an AI-powered content creation tool that helps event organizers and digital marketers achieve higher SEO ranking and build smart digital communities.

SAN FRANCISCO, CA, UNITED STATES, April 3, 2023 /EINPresswire.com/ -- eZ-Xpo, the global leader in Virtual Collaborative Network, launched the World's 1st Hybrid Event and Work GPT, eZ-GPT for event organizers, marketers, digital marketing agencies, and demand generation professionals for massive daily traffic and leads.

eZ-GPT, a new AI product powered by Open AI and [ChatGPT](#), empowers organizers and exhibitors to create and deploy high-quality content at scale. With eZ-GPT, users can generate SEO-optimized content, build new digital AI communities, and create custom ChatGPTs based on their proprietary content.

“

We are tackling the biggest challenge faced by events and businesses - sustainable traffic and leads”

Matt Fok, CEO and Founder of eZ-XPO.

“We are tackling the biggest challenge faced by events and businesses - sustainable traffic and leads,” said Matt Fok, CEO and Founder of eZ-XPO.

"Similar to how ChatGPT has transformed the AI user experience, eZ-GPT is the ultimate accelerator for hybrid events, lead generation, and SEO. A must-have tool for event organizers and marketers, eZ-GPT supercharges daily traffic 24/7, increases SEO ranking, and turns every event into a traffic powerhouse."

Here are the key features of benefits of eZ-GPT:

- High-Quality Content Creation: With eZ-GPT, exhibitors and organizers can generate high-

quality content in seconds, ensuring they can showcase their products and services in the best possible light. Powered by state-of-the-art AI technology, eZ-GPT allows users to create compelling copy that accurately reflects their brand and messaging, making it easier than ever to engage with their audience.

- **SEO Optimization:** eZ-GPT offers unparalleled SEO benefits, allowing users to supercharge their online rankings and drive more traffic to their digital assets. Whether it's through optimized product descriptions, targeted ad copy, or informative blog posts, eZ-GPT provides the tools and resources necessary to ensure that users achieve maximum visibility online.

- **Community Building:** eZ-GPT helps users create new digital AI communities for every niche market. By enabling users to generate content that speaks directly to their audience's interests and needs, eZ-GPT facilitates the creation of communities around shared values and passions, allowing businesses and organizations to tap into new markets and build lasting relationships with their customers.

- **Custom ChatGPTs:** With eZ-GPT, every company or professional can create a custom ChatGPT based on their proprietary content, including PDFs, videos, and social media. By leveraging the latest AI technology, eZ-GPT enables users to build and deploy chatbots that can answer questions, provide support, and deliver personalized content based on the user's specific needs and interests.

So whether you're an eZ-Xpo organizer, exhibitor, digital marketing agency, or marketer, eZ-GPT is an indispensable tool to take your digital presence to the next level for your clients and partners.

For a limited time, you can get started with our new Private Smart Network (PSN) for just \$10/booth/month with 50 virtual booths/spaces without an additional fee if you sign up before

eZ-GPT is an AI-powered content creation tool that helps event organizers and digital marketers achieve higher SEO ranking and build smart digital communities.
