ABOUT THE AUTHOR

Hello Friends! My name is Dr. Heidi; I have been passionate about dogs since I was a little girl, and as a business psychologist, college professor, and mother, I strongly believe in the importance of education and lifelong learning. I have combined my love for dogs and my passion for learning and education into this children's book series. Each book is intended to share a lesson learned, such as helping others, sharing, building confidence, and much more. Becoming a mother was the catalyst to see this dream come true and help share these messages in a way my own daughter and other children would enjoy. I hope you enjoy these stories as much as I enjoyed writing them!
