

Green Choice Energy Sponsors Boys Hope Girls Hope Walk to Hope

HUNTINGTON, NEW YORK, UNITED STATES, April 4, 2023 /EINPresswire.com/ -- "We are thankful for Green Choice Energy's support of our work in Baltimore," said Arlene Hackbarth, Executive Director. "This support will help us continue our mission to nurture and guide motivated young people in need to become well-educated, career-ready men and women."

Right now, young people and their families are facing economic, systemic, or circumstantial barriers that limit their hope and possibilities. Boys Hope Girls Hope works closely with each young person and their family or guardian, to assess their unique situation, needs, interest, and motivation to engage into the program.

Boys Hope Girls Hope gives them hope that their dreams can be realized by creating access and opportunity so more young people have hope for safe, nurturing spaces where they can learn, grow, and thrive.

"We're proud to partner with an organization that shares our commitment to inspire and build better lives and communities," said Brian Trombino, Chief Executive Officer at Green Choice Energy. "Boys Hope Girls Hope is doing incredible work to improve the lives of Baltimore youth by providing a great foundation and ensuring they have opportunities to thrive."
